**Preliminary Plats:**

For the initial submittal for staff and utility company review, please provide five (5) folded copies. After staff review is completed and staff comments have been forwarded, seventeen (17) copies of the revised plat are requested for delivery to the Planning and Zoning Commission members and City staff. Following action by the Planning and Zoning Commission, twenty (20) copies of the preliminary plat are requested for delivery to the City Council.

*Preliminary Plat Filing Fees:*

- Single-family: \$25 plus \$2 per lot
- Multi-family: \$50 plus \$1 per unit
- Commercial: \$50 plus \$2 per acre

**Final Plats:**

As long as they do not deviate in any significant respect from the preliminary plat approved by the Planning and Zoning Commission and City Council, final plats are not submitted to the Planning and Zoning Commission. Final plats are submitted directly to the City Council for approval. The City Council approves final plats by ordinance, which must be read at two Council meetings. Twenty (20) copies of a final plat must be submitted at least ten (10) working days prior to the City Council meeting at which it is to be introduced.

***PLEASE NOTE: The City of St. Charles subdivision regulations state that “prior to recording of the approved final plat, a digital media copy of any record plat prepared using computer assistance shall be submitted in a computer readable format approved by the City Engineer.” FINAL PLATS WILL NOT BE APPROVED FOR RECORDING UNLESS THEY ARE ACCOMPANIED BY A DIGITAL MEDIA COPY IN AUTOCAD FORMAT. THE DIGITAL COPY OF A FINAL PLAT SHOULD BE SUBMITTED TO CHARLES LOVELACE, GIS COORDINATOR IN THE DEPARTMENT OF COMMUNITY DEVELOPMENT.***
